**Assessing Official Comments:**

QUALITY: So far the product appears to have adequate quality.

SCHEDULE: There were some minor delays, which may have being caused by contracting or the vendor. These were immediately addressed.

COST CONTROL: These are expensive items with very few vendors able to meet our needs. Given these factors we believe the costs to be acceptable.

MANAGEMENT: The vendor management was responsive to our needs and questions.

SMALL BUSINESS SUBCONTRACTING: I understand from our contracting officer that this was a small business purchase.

REGULATORY COMPLIANCE: The vendor did an outstanding job to make sure that we stayed within regulatory compliance both from an MRI safety perspective and from a contracting perspective.

ADDITIONAL/OTHER: So far we are very pleased with the vendor and the product.

**RECOMMENDATION:**

Given what I know today about the contractor's ability to perform in accordance with this contract or order's most significant requirements, I would recommend them for similar requirements in the future.
